The Council of the City of Mountain Home, Elmore County, Idaho, met at Mountain Home City Hall, 160 South 3rd East, Mountain Home, Idaho on April 6th, 2020. A quorum was established with Councilman Brennan, Councilman Stokes, Councilman McCain, Councilman Bundy and Mayor Sykes being present at 10:00 a.m.

Discussion/Decision - Advising citizens on Coronavirus plans for the City

There was a discussion between the Council and the Mayor on what the City would be doing in the future in regard to the Coronavirus.

The Mayor explained that his Facebook Live post on Friday was for people to know that this needs to be taken seriously and that people needed to comply with the Governors order to stay home. He explained that he probably would not impose any of the things he had talked about, but that if the public did not start listening that he may have to ask the City Council to impose more strict regulations in the future.

Councilman Bundy suggested that they continue to have weekly meetings every Monday at 10:00 a.m. to update everyone on what the plans for the City were going to be.

Councilman Brennan asked if the Monday's where the Council has their regular City Council meetings, could we not have a meeting at 10:00 a.m. on those dates and just have our regular meetings at 6:00 p.m.

It was decided that the City Council would continue to have their Regular meetings at 6:00 p.m. on the 2nd and 4th Monday's of the month, but on the 1st and 3rd Mondays of the month they will hold an update meeting at 10:00 a.m.

ADJOURN

There being no further business to come before the Council, the meeting was adjourned at 10:37 A.M. by orders from the Mayor.
