GENERAL COMMITTEE DISCUSSION

AJ Lewis said RNAV to 10 and the ALKAL RNAV departure procedure both were flight checked. The RNAV to 10 failed the flight check. They said that it encroached on the restricted area, but there is a note in there that says the hold in lieu of is not valid when the restricted area is active, it becomes a straight-in only approach. AJ reached out to the FAA and they said that it is being corrected.
